

2018 MAJOR – Ancient History - Egypt and Near East

(Qualifying Major for Bachelor of Arts with the degree of Bachelor of Laws)

This major offers the comprehensive study of the history, society, religions and material culture of ancient Egypt, ancient Israel and the Near East. A critical interdisciplinary approach integrates ancient history subjects with the disciplines of archaeology and art history to provide the knowledge and skills required for subsequent learning and research at postgraduate level. The structure of the major is flexible to allow students to shape the major and tailor their studies to suit their personal interests.

The table below is a suggested first year program guide to support your enrolment. Please make your selection of units after reviewing the requirements of your award in the 2018 Handbook:
