

2017 MAJOR – Computing

(Qualifying Major for Bachelor of Arts with the degree of Bachelor of Laws)

This Major is designed to give students a background in Computing, more specifically in the fields of programming, web technology or information systems.

The table below is a suggested first session for students beginning in Session 2, 2017. Please make your selection of units after reviewing the requirements of your award in the 2017 Handbook:

Suggested First Session	
Session 2, 2017	
Unit Code	Unit Name
COMP111	Introduction to Video Games
ISYS114	Introduction to Database Design and Management
LAW115	Foundations of Law
DMTH137* or Elective	Discrete Mathematics 1 Choose a People or Planet unit

- You must also meet the general requirements for the degree to which you will qualify.
- It may be possible to satisfy the requirements of your degree by taking a different selection of units in your first year from those suggested above.
 - * If you want to focus on programming in this major you should do DMTH137 and in 2018 you should enrol in COMP115 and COMP125.
- Consider what units you will want to study in second and third year. Prerequisite requirements for those units must be completed prior to enrolment in the higher unit.
- Please note that you should enrol in LAW109, LAWS104 and LAWS108 in 2018.
- For a double major complete required units for both majors where possible in the first year. If considering a double major consult the criteria found at www.handbook.mq.edu.au/2017/Majors.
- All students must complete one People unit and one Planet unit. Criteria and available units can be viewed at www.handbook.mq.edu.au/2017/Units/Planet and www.handbook.mq.edu.au/2017/Units/People.
- You can receive specific program advice from the faculty at any stage in your degree by lodging a “Program Advice” enquiry via <http://ask.mq.edu.au>.
