

# 2019 MAJOR – Creative Writing

(Qualifying Major for Bachelor of Arts with the degree of Bachelor of Laws)

The major in Creative Writing enables students to specialise in writing across a range of academic, and Arts and Writing industry areas of writing. Study choices are available in literary and creative writing genres in text-based and digital media. Capabilities in written communication, creativity, and interpersonal skills are developed within the program, with analysis in the production and publishing contexts in which writing occurs and the cultural, economic and social issues that influence writing in Australia and internationally. The program's learning approach focuses on learner-led activities and assessment tasks. The program includes lecturers who are writers with Arts and Writing industry-relevant skills and knowledge; students publish a final creative work; and are supported to publish and/or produce during the program. The program is a pathway to postgraduate and higher degree study.

**The table below is a suggested first session for students beginning in Session 2, 2019.** Please make your selection of units after reviewing the requirements of your award in the 2019 Handbook:
