

2019 Bachelor of Applied Finance with the degree of Bachelor of Economics

This double degree is designed to give you practical financial skills and the latest economic understanding which can be applied to real industry, social and governmental situations. Key features: complete two respected degrees with only one additional year of study, learn from highly qualified lecturers who have a practical understanding of finance, step straight into the workforce with financial, microeconomic, macroeconomic and econometric skills

The table below is a suggested first session for students beginning in Session 2, 2019. Please make your selection of units after reviewing the requirements of your award in the 2019 Handbook:

www.handbook.mq.edu.au/2019/DegreesDiplomas/Degree/Bachelor+of+Applied+Finance+with+the+degree+of+Bachelor+of+Economics

Suggested First Session	
Session 2, 2019	
Unit Code	Unit Name
ACST101	Finance 1A
ECON111	Microeconomic Principles
STAT150	Business Statistics
Elective	Choose an elective unit

- You must also meet the general requirements for the degree for which you will qualify.
- It may be possible to satisfy the requirements of your degree by taking a different selection of units in your first session from those suggested above.
- Consider what units you will want to study in second and third year. Prerequisite requirements for those units must be completed prior to enrolment in the higher-level unit.
- You can study additional PACE units as electives in second and/or third year. Go to www.pace.mq.edu.au to find out more about internships and other local and international opportunities.
- You can receive specific program advice from the faculty at any stage in your degree by lodging a "Program Advice" enquiry via <http://ask.mq.edu.au>.
