

2017 MAJOR – Early Childhood

(Qualifying Major for Bachelor of Business Administration with the degree of Bachelor of Arts)

A major in early childhood enables graduates to work in a variety of areas including policy development, community services, and the media. The major in early childhood includes units of study which consider the learning, development and wellbeing of children aged birth to twelve years. Students explore a range of philosophical, theoretical and practical aspects related to the lives and learning of young children which will equip them to respond to the complexity and diversity of contemporary Australian society.

The table below is a suggested first session for students beginning in Session 2, 2017. Please make your selection of units after reviewing the requirements of your award in the 2017 Handbook:

- You must also meet the general requirements for the degree to which you will qualify.
- It may be possible to satisfy the requirements of your degree by taking a different selection of units in your first year from those suggested above.
- Consider what units you will want to study in second and third year. Prerequisite requirements for those units must be completed prior to enrolment in the higher unit.
- For a double major complete required units for both majors where possible in the first year. If considering a double major consult the criteria found at www.handbook.mq.edu.au/2017/Majors.
- All students must complete one People unit and one Planet unit. Criteria and available units can be viewed at www.handbook.mq.edu.au/2017/Units/Planet and www.handbook.mq.edu.au/2017/Units/People.
- You can receive specific program advice from the faculty at any stage in your degree by lodging a “Program Advice” enquiry via <http://ask.mq.edu.au>.
