

# 2019 MAJOR – Geography

(Qualifying Major for Bachelor of Business Administration with the degree of Bachelor of Arts)

Geography provides an important bridge between the social and environmental sciences. The discipline develops an understanding of both social and biophysical aspects of social and environmental change and encourages students to consider the importance of place and scale in the everyday world. Building on this appreciation of the interrelationships between people and places, the program aims to develop a broad understanding of the discipline of Geography, its theoretical and methodological approaches and key contributions to practice.

**The table below is a suggested first session for students beginning in Session 2, 2019.** Please make your selection of units after reviewing the requirements of your award in the 2019 Handbook:

[www.handbook.mq.edu.au/2019/DegreesDiplomas/Degree/Bachelor+of+Business+Administration+with+the+degree+of+Bachelor+of+Arts](http://www.handbook.mq.edu.au/2019/DegreesDiplomas/Degree/Bachelor+of+Business+Administration+with+the+degree+of+Bachelor+of+Arts)

| Suggested First Session |   |
|-------------------------|---|
| Session 2, 2019         |   |
| Unit Code               | Unit Name                                     |
| BBA102                  | Principles of Management                      |
| ECON111                 | Microeconomic Principles                      |
| ENV118                  | Environmental Management for a Changing World |
| HRM107                  | Introduction to Human Resources               |

- You must also meet the general requirements for the degree for which you will qualify.
- It may be possible to satisfy the requirements of your degree by taking a different selection of units in your first session from those suggested above.
- Consider what units you will want to study in second and third year. Prerequisite requirements for those units must be completed prior to enrolment in the higher-level unit.
- You can study additional PACE units as electives in second and/or third year. Go to [www.pace.mq.edu.au](http://www.pace.mq.edu.au) to find out more about internships and other local and international opportunities.
- You can receive specific program advice from the faculty at any stage in your degree by lodging a “Program Advice” enquiry via <http://ask.mq.edu.au>.
