

2019 MAJOR – International Law and Global Governance

(Qualifying Major for Bachelor of Business Administration with the degree of Bachelor of Arts)

This major will enable students to acquire understanding of international law. They will also gain knowledge and skills for research and professional practice in law of international organisations, international environmental law, law and globalisation, international human rights law, international dispute settlement, international trade and finance, and law of the sea.

The table below is a suggested first session for students beginning in Session 2, 2019. Please make your selection of units after reviewing the requirements of your award in the 2019 Handbook:
