

2019 MAJOR – Accounting

(Qualifying Major for Bachelor of Commerce)

Accounting is the collection, measurement and communication of financial information that is used for planning, reporting and decision-making. This major includes several core units in both financial and management accounting. The elective units offered allow students to specialise in either area, or to broaden their studies. The Capstone unit provides students with the opportunity to integrate and advance their knowledge of accounting within a broad societal and corporate business focus. The unit's research and practice-based topics will equip students to enter into the accounting programs offered by CPA Australia and The Chartered Accountants Australia and New Zealand (CA ANZ).

The table below is a suggested first session for students beginning in Session 2, 2019. Please make your selection of units after reviewing the requirements of your award in the 2019 Handbook:

www.handbook.mq.edu.au/2019/DegreesDiplomas/Degree/Bachelor+of+Commerce

Suggested First Session

Session 2, 2019

Unit Code	Unit Name
ACCG100	Accounting in Society
BBA102	Principles of Management
STAT150	Business Statistics
Elective	Choose an elective unit

- You must also meet the general requirements for the degree for which you will qualify.
- It may be possible to satisfy the requirements of your degree by taking a different selection of units in your first session from those suggested above.
- Consider what units you will want to study in second and third year. Prerequisite requirements for those units must be completed prior to enrolment in the higher-level unit.
- For a double major complete required units for both majors where possible in the first year. If considering a double major consult the criteria found at www.handbook.mq.edu.au/2019/Majors.
- You can study additional PACE units as electives in second and/or third year. Go to www.pace.mq.edu.au to find out more about internships and other local and international opportunities.
- You can receive specific program advice from the faculty at any stage in your degree by lodging a "Program Advice" enquiry via <http://ask.mq.edu.au>.
