

2019 MAJOR – Business Information Systems

(Qualifying Major for Bachelor of Commerce)

A Business Information Systems major will give you the IT skills to use, manage and develop business information systems for accounting, marketing and finance. Understanding the business impacts of information systems is a skill that's in demand. Organisations rely on IT and web technology to engage customers, boost productivity and improve efficiency. By completing the BIS major you will learn about different types of information systems, the content within them, and the roles they play in organisations. Areas covered include: mobile commerce, wireless networks, social media, managing customer and supplier relationships, using business intelligence and cloud computing.

The table below is a suggested first session for students beginning in Session 2, 2019. Please make your selection of units after reviewing the requirements of your award in the 2019 Handbook:

www.handbook.mq.edu.au/2019/DegreesDiplomas/Degree/Bachelor+of+Commerce

Suggested First Session	
Session 2, 2019	
Unit Code	Unit Name
ACCG100	Accounting for Decision-Making
ISYS114	Introduction to Database Design and Management
STAT150	Business Statistics
Elective	Choose an elective unit

- You must also meet the general requirements for the degree for which you will qualify.
- It may be possible to satisfy the requirements of your degree by taking a different selection of units in your first session from those suggested above.
- Consider what units you will want to study in second and third year. Prerequisite requirements for those units must be completed prior to enrolment in the higher-level unit.
- For a double major complete required units for both majors where possible in the first year. If considering a double major consult the criteria found at www.handbook.mq.edu.au/2019/Majors.
- You can study additional PACE units as electives in second and/or third year. Go to www.pace.mq.edu.au to find out more about internships and other local and international opportunities.
- You can receive specific program advice from the faculty at any stage in your degree by lodging a "Program Advice" enquiry via <http://ask.mq.edu.au>.
