

2018 Bachelor of Education (Early Childhood Education) (Birth to 12)

This degree qualifies graduates to teach children aged birth to twelve years in prior to school and primary educational school settings. The program focuses on developing specialist knowledge of young children's learning and development and to plan, implement and evaluate curriculum and learning experiences in prior to school and primary school settings. Students explore a range of philosophical, theoretical and practical aspects of learning and teaching which equips them with the professional capacity to respond to the complexity and diversity of children, families and communities in Australian society.

The table below is a suggested first year program guide to support your enrolment.* Please read the notes below and review the requirements of your award in the 2018 Handbook:

- You must also meet the general requirements for the degree for which you will qualify.
- * The table is a suggested first year for students with no previous tertiary studies. Students with a Diploma of Early Childhood Education and Care receive RPL for some of these units - obtaining academic advice is essential to ensure you enrol in the correct units.
- Consider what units you will want to study in second and third year. Prerequisite requirements for those units must be completed prior to enrolment in the higher-level unit.
- All students must complete one People unit and one Planet unit. Criteria and available units can be viewed at www.handbook.mq.edu.au/2018/Units/Planet and www.handbook.mq.edu.au/2018/Units/People.
- You can receive specific program advice from the faculty at any stage in your degree by lodging a "Program Advice" enquiry via <http://ask.mq.edu.au>.
