

# 2019 MAJOR – Psychological Science

(Qualifying Major for Bachelor of Science)

This non-accredited major is designed to provide a broad education for students interested in psychology. It will introduce students to the core areas of psychology, and with the opportunity to study some areas in greater depth. As a major in a general degree, students are able to tailor their undergraduate studies in psychology around their other interests as well, thus maintaining flexibility and broad options. Students seeking an accredited psychology degree can transfer from this major to the Bachelor of Science-Psychology or the Bachelor of Psychology (Honours) upon meeting the entry requirements.

**The table below is a suggested first session for students beginning in Session 2, 2019.** Please make your selection of units after reviewing the requirements of your award in the 2019 Handbook:

[www.handbook.mq.edu.au/2019/DegreesDiplomas/Degree/Bachelor+of+Science](http://www.handbook.mq.edu.au/2019/DegreesDiplomas/Degree/Bachelor+of+Science)

## Suggested First Session

### Session 2, 2019

Unit Code	Unit Name
PSYC105	Introduction to Psychology II
LING111 or PHL132 or COGS101	Language: Its Structure and Use Happiness, Goodness and Structure Delusions and Disorders of the Mind and Brain
STAT170 or BIOL115	Introductory Statistics Genes to Organisms
Elective	Choose an elective unit

- You must also meet the general requirements for the degree for which you will qualify.
- It may be possible to satisfy the requirements of your degree by taking a different selection of units in your first session from those suggested above.
- Consider what units you will want to study in second and third year. Prerequisite requirements for those units must be completed prior to enrolment in the higher-level unit.
- For a double major complete required units for both majors where possible in the first year. If considering a double major consult the criteria found at [www.handbook.mq.edu.au/2019/Majors](http://www.handbook.mq.edu.au/2019/Majors).
- You can receive specific program advice from the faculty at any stage in your degree by lodging a "Program Advice" enquiry via <http://ask.mq.edu.au>.
