

2019 MAJOR – Human Geography

(Qualifying Major for Bachelor of Social Science)

Human Geography at has a strong focus on social and community planning, health and health care delivery, population studies, development studies, environmental management, public policy development, urban and regional management and geographic information science. This major offers the flexibility to construct a specific program of study tailored to your intended professional career. You will develop your scientific skills such as problem solving and critical thinking through practical work and peer assisted learning.

The table below is a suggested first session for students beginning in Session 2, 2019. Please make your selection of units after reviewing the requirements of your award in the 2019 Handbook:

www.handbook.mq.edu.au/2019/DegreesDiplomas/Degree/Bachelor+of+Social+Science

Suggested First Session

Session 2, 2019

Unit Code	Unit Name
SSCI100	Introduction to Social Science
ENV118	Environmental Management for a Changing World
SOC180 or EDUC106	Sociology of Everyday Life Education: The Social and Historical Context
Elective	Choose an elective unit

- You must also meet the general requirements for the degree for which you will qualify.
- It may be possible to satisfy the requirements of your degree by taking a different selection of units in your first session from those suggested above.
- Consider what units you will want to study in second and third year. Prerequisite requirements for those units must be completed prior to enrolment in the higher-level unit.
- For a double major complete required units for both majors where possible in the first year. If considering a double major consult the criteria found at www.handbook.mq.edu.au/2019/Majors.
- You can receive specific program advice from the faculty at any stage in your degree by lodging a “Program Advice” enquiry via <http://ask.mq.edu.au>.
